

Talking points for Moms Vigil

1. This vigil, and the over [XXX] vigils across the country are supporting Cindy Sheehan and the families who lost their sons and daughters to a war that was based on lies and half-truths.

Note: You can find out the most up to date numbers of how many events are scheduled across the nation by checking here:

2. We are all asking the President to come clean and answer Cindy Sheehan's questions:

Why did we go to war?
Why have so many died?
When are they coming home?

3. As Cindy has said, all we are asking is that the President sacrifice one hour out of his five-week vacation to meet with a mother who lost her son in Iraq.
